**Description of Project** – include actions required and potential solution (e.g. remove existing grass and replace with artificial turf):

To receive additional monies to purchase required curriculum materials such as Everyday Math and Houghton Mifflin reading materials.

Principal's rank for this project (#1 being highest): #3

How will this project meet Anchorage School District program goals?:

The additional funds will allow us to purchase the required curriculum to a degree that will support all ranges of students.

What will be the benefits of this project if completed? Impacts if not completed?:

Our school currently spends an estimated \$15,000 annually for math and reading materials, which is approximately 25 percent of our yearly budget. Additional funding for these curriculum materials would allow the purchase of other materials, teaching supplies, and equipment needed to support our range of students and staff.

Estimated number of students that would be impacted by the project? 545
